

TANISHK NAVLAKHE

Business Analysis | Data Analytics | AI Tools

Indore, India | +91 9175197337 | navlaketanishk@gmail.com | linkedin.com/in/tanishk-navlakhe | github.com/Tanishk2006

Summary

B.Tech CS undergraduate with hands-on experience in data analytics, business process documentation, and AI-powered tool development. Strong interest in Business Analysis; comfortable working with data, structured reporting, and Generative AI tools.

Education

VIT Bhopal University

2023 – 2027

B.Tech in Computer Science & Engineering, CGPA: 7.5 / 10.0

Skills

SQL, MS-Excel, English Proficiency (Written & Spoken), AI Tools (ChatGPT, Claude, Gemini)

Training Program

Advanced Software Engineering & Development

Jun 2026 – Aug 2026

MP Online, Virtual

- Gathered and documented requirements for a full-cycle Library Management System, applying SDLC principles end-to-end
- Authored structured IEEE-format technical documentation translating business requirements into clear specifications
- Conducted usability testing and consolidated user feedback into actionable workflow improvements

Projects

RetainIQ | Data Analytics & BI Reporting

- Built a BI analytics tool for 1,000 simulated corporate accounts – data pipeline, KPI tracking (CAC, LTV, churn), and automated high-risk account flagging with executive report generation
- Extended into a React employee dashboard with live-updating analytics and client directory

InboundLeadFlow | Business Process & Lead Pipeline Simulation

- Simulated a HubSpot-style inbound lead pipeline covering intake, qualification, lifecycle assignment, and routing – demonstrating practical understanding of RevOps and CRM data flows

AI-Powered Personal Finance Advisor | Generative AI & Data Analysis

- Combined a rule-based financial analysis engine with the Claude LLM to generate personalized, natural-language recommendations from structured data – practical application of LLM integration and prompt engineering

Certifications

Oracle Cloud Infrastructure 2025 Data Science Professional Certificate (Oracle, valid till Aug 2027)

Extracurricular Activities

Backstage Coordinator

School Annual Function & Teachers' Day Events

- Managed live event sequencing, cueing performers and briefing upcoming teams to keep the programme running smoothly
